**Date:** November 8, 2012

**To:** Honorable Chairman Joe A. Martinez  
and Members, Board of County Commissioners

Agenda Item No. 8(A)(7)

**From:** Carlos A. Gimenez  
County Mayor

**Subject:** Farming Lease Agreement with Ledford Farms, Inc., at Kendall-Tamiami Executive Airport

## RECOMMENDATION

It is recommended that the Board of County Commissioners (Board) adopt the attached resolution approving a four-year Lease Agreement with Ledford Farms, Inc., for 90 acres to be used as farmland at Kendall-Tamiami Executive Airport (TMB).

## SCOPE

The property to which the lease applies is located in District 11, Commissioner Joe A. Martinez.

## FISCAL IMPACT/FUNDING SOURCE

This lease agreement will generate \$47,409.30 annually in non-aviation revenue for the Miami-Dade Aviation Department (MDAD).

## TRACK RECORD/MONITOR

Ledford Farms, Inc. has an excellent payment record with the Miami-Dade Aviation Department. Real Estate Management & Development Property Manager Daniel P. Dooling will monitor the contract.

## BACKGROUND

The Aviation Department has leased TMB land for farming purposes for many years in an effort to reduce ground-keeping maintenance requirements, provide additional revenues to MDAD, and contribute to the agribusiness economy of Miami-Dade County. The leases are put out for bid with terms generally set for 10 years; however, under the authority granted by Ordinance No. 95-138, the Department signed a one-year lease agreement with Ledford to farm the 90 acres in order to take advantage of the winter/spring growing season while this four-year lease with five one-year extensions was prepared for approval by the Board. The minimum bid per acre was \$350.00. Ledford Farms was the sole bidder offering a price-per-acre of \$526.77.

**WITNESSETH:**

**WHEREAS**, the County and Lessee have entered into a license agreement effective October 1<sup>st</sup>, 2011, under which the Lessee is entitled by license to make use of the same parcel of property covered by this Agreement, and the parties desire that such license shall be terminated at the time the County has formally approved this Agreement so that the license shall stand terminated and this Agreement shall become effective as of the effective date of such approval;

**FOR**, and in consideration of the premises and of the mutual covenants and agreement herein contained, the parties hereto agree as follows:

**ARTICLE 1**

Term and Premises

1.01 Term: The County hereby leases to the Lessee, and the Lessee hereby leases from the County, the premises described in Article 1.03 (Premises) hereof, for the purposes and uses set forth in Article 2 (Use of Premises) hereof, for a lease term of four (4) years from the Effective Date first written above. The term is cancelable by either party at any time without cause upon 180 days written notice. As of the date that the resolution of the Board of County Commissioners approving this Agreement is effective, the License Agreement previously entered into between the parties for the same Premises shall stand terminated and this Agreement shall become effective. Lessee shall remain liable for all obligations that accrued under the License Agreement up to the date of its termination, and as of the effective date of such resolution, Lessee's rights and obligations as to the Premises shall be governed by this Agreement; provided, however, that obligations of Lessee under the License Agreement shall continue to apply under this Agreement.

1.02 Extension: The Lessee may request to extend the Agreement for up to five additional one year terms by requesting in writing to the County no later than 180 days prior to the expiration date of the original five year term, and subsequently, 180 days prior to the expiration date of any succeeding one year term. 1.04 Modification of Premises: The Premises are subject to modification or deletion of a portion thereof, at the sole discretion of the Aviation Department of the County ("Department"), provided such modification or partial deletion does not significantly adversely impact the use of the Premises by the Lessee. This Agreement shall be administratively revised to reflect such modification or deletion of a portion of the Premises upon one hundred-eighty (180) days advance written notice to the Lessee by the Department.

1.05 Easements: The Agreement is subject to any and all easements, permits and/or rights-of-way now existing on the Premises.

the expiration or termination of this Agreement, the Lessee shall be bound by all of the terms and conditions of this Agreement to the same extent as if this Agreement were in full force and effect during the time beyond the Expiration Date of this Agreement, however during any such possession of the Premises as a holdover tenant after the County has demanded the return of the Premises, the Lessee shall be liable for double rentals for so long as the Lessee remains in possession after such demand, such rentals to be based upon the rental rates applicable from time to time in whole or in part to the Premise.

The Lessee further agrees that the substance of this Article 6.01 (Rules and Regulations - General) above shall be included in every sublease, contract and other agreement, which the Lessee may enter into related to its operations and activities under this Agreement and that any such sublease, contract and other agreement shall specifically provide that "Miami-Dade County, Florida is a third party beneficiary of this and related provisions." This provision shall not constitute a waiver of any other conditions of this Agreement prohibiting or limiting assignments, subletting or subcontracting.

#### **ARTICLE 7**

##### **Alteration of Premises and Erection of Signs**

7.01 **Alterations:** The Lessee shall not alter the Premises in any manner whatsoever without prior written approval of the Department. In the event the Lessee is given approval to make any alterations to the Premises, the Lessee shall fully comply with the terms and conditions contained in the Department's approval letter and a failure to do so shall constitute a default pursuant to Article 12.03 (Other Defaults) hereof.

#### **ARTICLE 8**

8.01 **Definitions:** For purposes of this Agreement, the following additional definitions apply:

(A) "Baseline Environmental Conditions" means the presence or release of Hazardous Materials, at, on, under, or from the Premises prior to Lessee's Occupancy Date, the presence or release of which was not caused by Lessee or Lessee's agents, employees, contractors, invitees or trespassers. Solely for purposes of this Agreement, it shall be presumed that the Baseline Environmental Conditions consist of the conditions identified in any existing (as of the date of this Agreement) Miami-Dade County maintained records, including contamination assessment reports and any other technical reports, data bases, remedial action plans, the Baseline Audit or the presence, discharge, disposal or release of any other Hazardous Materials originating prior to the Occupancy Date that comes to be located on the Premises and not caused by Lessee or Lessee's agents, employees, contractors, invitees or trespassers.

(B) "Environmental Claim" means any investigative, enforcement, cleanup, removal, containment, remedial or other private, governmental or regulatory action at any time threatened, instituted or completed pursuant to any applicable Environmental Requirement, against Lessee with respect to its operations at Miami International Airport or against or with respect to its operations at Miami International Airport or against or with respect to the Premises or any condition, use or activity on the Premises (including any such action against County), and any claim at any time threatened or made by any person against Lessee with respect to its operations at Miami International Airport or against or with respect to the Premises or any condition, use or activity on the Premises (including any such claim against County), relating to damage, contribution, cost recovery, compensation, loss or injury resulting from or in any way arising in connection with any Hazardous Material or any applicable Environmental Requirement.

(C) "Environmental Law" means any applicable federal, state or local law, statute, ordinance, code, rule, or regulation, or license, authorization, decision, order, injunction, or decree, any of which may be issued by a judicial or regulatory body of competent jurisdiction, or rule of common law including, without limitation, actions in nuisance or trespass, and any judicial or agency interpretation of any of the foregoing, which pertains to health, safety, any Hazardous Material, or the environment (including but not limited to ground or air or water or noise pollution or contamination, and underground or aboveground tanks) and shall include without limitation, the Solid Waste Disposal Act, 42 U.S.C. § 6901 *et seq.*; the Comprehensive Environmental Response, Compensation and Liability Act of 1980, 42 U.S.C. § 9601 *et seq.* ("CERCLA"), as amended by the Superfund Amendments and Reauthorization Act of 1986 ("SARA"); the Hazardous Materials Transportation Act 49 U.S.C. § 1801 *et seq.*; the Federal Water Pollution Control Act, 33 U.S.C. § 1251 *et seq.*; the Clean Air Act 42 U.S.C. § 7401 *et seq.*; the Toxic Materials Control Act 15 U.S.C. § 2601 *et seq.*; the Safe Drinking Water Act, 42 U.S.C. § 300f *et seq.*; Chapters 403, 376 and 373, Florida Statutes; Chapters 24 and 25 of Miami-Dade County Code, and any other applicable local, state or federal environmental statutes, codes, or ordinances, and all rules, regulations, orders and decrees now or hereafter promulgated under any of the foregoing, as any of the foregoing now exist or may be changed or amended or come into effect in the future.

(D) "Environmental Requirement" means any Environmental Law, or any agreement or restriction entered into or applicable by law (including but not limited to any condition or requirement imposed by any insurance or surety company), as the same now exists or may be changed or amended or come into effect in the future, which pertains to health, safety, any Hazardous Material, or the environment, including but not limited to ground or air or water or noise pollution or contamination, and underground or aboveground tanks.

With regard to any environmental agreements or restrictions entered into by MDAD, MDAD agrees to use reasonable efforts to apprise the Miami Airport Affairs Committee (the "MAAC"), which represents the interests of the airlines at the Airport, of any such agreements or restrictions and to obtain the MAAC's input into such items.

(E) "Hazardous Material" means any substance, whether solid, liquid or gaseous, which is listed, defined or regulated as a hazardous substance, a hazardous waste or pesticide, or otherwise classified as hazardous or toxic, in or pursuant to any applicable Environmental Requirement; or which is or contains asbestos, radon, any polychlorinated biphenyl, urea formaldehyde foam insulation, explosive or radioactive material, or motor fuel or other petroleum hydrocarbons; or which causes or poses a threat to cause contamination or a nuisance on the Premises, any adjacent Premises or a hazard to the environment or to the health or safety of persons on the Premises or Other Airport Property.

(F) "Initial Construction Period" means for any lease which contemplates construction or renovation for Premises not previously occupied in whole or in part by Lessee under this Agreement and/or any previous Agreement, a period of time not to exceed six (6) months commencing with the date on which Lessee breaks ground on the Premises for construction of foundations or commences such renovation.

(J) "Recognized Environmental Condition" shall have the meaning set forth in ASTM E 1527-05, Section 1.1.1, as such provision may be amended or superseded from time to time.

(K) "Release" means any spilling, leaking, pumping, pouring, emitting, emptying, discharging, injecting, escaping, leaching, dumping or disposing into the environment.

(L) "Remediation" means any investigation, clean-up, removal action, remedial action, restoration, repair, response action, corrective action, monitoring, sampling and analysis, installation, reclamation, closure, or post-closure in connection with the suspected, threatened or actual release of Hazardous Materials.

(M) "Trespassers" means a third party who have entered the Premises and whose actions while on the Premises have resulted in Release of Hazardous Materials directly onto the Premises. Notwithstanding the foregoing, for purposes of this Agreement, Trespassers shall not include those third parties whose actions took place off of the Premises and which resulted in the presence of Hazardous Materials on the Premises due to the migration of Hazardous Materials from that off-Premises location.

8.02 Lessee's Industrial Classification: Lessee represents and warrants to County that Lessee's Standard Industrial Classification ("SIC") code number, as published in the most recent SIC Manual from the United States Office of Management and Budget, and as used on Lessee's Federal Tax Return is N/A.

8.03 Lessee's Acceptance of the Risks and Condition of Premises As-Is: Lessee agrees that the Premises shall be leased and delivered to Lessee in its current "as-is/with all faults" condition (but it is not intended by this provision that County be relieved from its duties expressly set forth in this Agreement or any other applicable agreement). Lessee hereby, warrants, covenants, agrees, and acknowledges that:

(A) Hazardous Materials may be present on the Premises and Other Airport Property. The County is currently engaged in a significant environmental remediation program at MIA.

(B) Under Article 8.06 below, Lessee is provided the opportunity to conduct an independent investigation of the Premises and the physical condition thereof, including the potential presence of any Hazardous Materials on or about the Premises. Lessee's report on the investigation, if any such report has been prepared, has been provided to the County and is listed in Tab B (Contamination Assessment Reports (CARS), Remedial Action Plans (RAPS) and other documents) attached to this Agreement. Whether Lessee has conducted such an investigation or not, Lessee is willing to proceed with this Agreement notwithstanding the environmental conditions of the premises of the properties surrounding the premises, subject to Lessee's right to terminate this Agreement as otherwise provided herein.

(C) Because of the possible presence of environmental contaminants on the Premises or other Airport property, County has made no express, implied, or other representations of any kind with respect to the suitability or usability of the Premises or other Airport Property, or any improvements appurtenant thereto, including, without limitation, the suitability or usability of any building materials, building systems, soils or groundwater conditions (due to the presence of Hazardous Materials in, on, under, or about the Premises or other Airport property), for Lessee's proposed or intended use, and Lessee has relied solely on Lessee's own inspection and examination of such matters.

(D) Except as to County's obligations set forth in this Article or elsewhere in this Agreement, Lessee expressly assumes the risk that Hazardous Materials that are or may be present on the Premises at the commencement of this Agreement may affect the suitability or usability of the Premises for Lessee's proposed or intended use. Lessee agrees that, except to the extent of County's Remediation obligations provided in this Article 8, or any other discharge, disposal or release of Hazardous Materials or violation of Environmental Requirements, caused by County, its agents, employees or contractors and except with respect to Baseline Environmental Conditions, County shall have no responsibility or liability with respect to any Hazardous Materials on the Premises. Notwithstanding the foregoing, in no event shall County be liable to Lessee for damages relating to physical or personal injury, business interruptions relocation costs or any other cost (other than a cost for which County is liable under this Article 8) resulting from the presence of Hazardous Materials on the Premises at any time during this Agreement.

#### 8.04 Responsibilities for Hazardous Materials:

(A) Unless the parties agree otherwise in writing, the County shall conduct response actions mandated by existing Environmental Requirements applicable to the County for (i) Hazardous Materials disclosed in the Lessee Audit to the extent required by Article 8.06 and (ii) Baseline Environmental Conditions, provided however that:

1) To the extent this Agreement covers Premises not previously occupied by Lessee and if this Agreement contemplates construction or renovation by the Lessee, any Hazardous Material discovered during the Initial Construction Period as defined in Article 8.01(F), shall be presumed to be a Baseline

Environmental Condition under this Agreement except to the extent the Aviation Department demonstrates to the satisfaction of Lessee by written notice setting forth the Aviation Department's explanation as to why the Hazardous Material originated from a discharge, disposal or release that was caused by Lessee, Lessee's agents, employees, contractors, invitees or Trespassers. Should Lessee determine that such a demonstration has not been made to Lessee's satisfaction, County may invoke the dispute resolution provision of 8.16. Until such time as the parties reach an agreement or such time as the dispute is otherwise resolved, responsibility for such Hazardous Material shall remain with the Aviation Department.

2) The extent this Agreement covers premises previously occupied by Lessee, and except for Baseline Environmental Conditions, Remediation of any Hazardous Material discovered on the Premises shall be the responsibility of the Lessee, except to the extent that Lessee demonstrates to the satisfaction of Aviation Department Management by written notice setting forth Lessee's explanation as to why the Hazardous Material originated from (1) a discharge, disposal or release outside of the Premises, unless such discharge, disposal or release was caused by Lessee, Lessee's agents, employees, contractors or invitees; (2) a discharge, disposal or release of Hazardous Material on the Premises prior to the date upon which Lessee first occupied the premises and not caused by Lessee or Lessee's agents, employees, contractors, invitees or Trespassers; or (3) a discharge, disposal or release caused by the County, its agents, employees, contractors or any third party. Should the Aviation Department determine that such a demonstration has not been made to Aviation Department's satisfaction, Lessee may invoke the dispute resolution provision of 8.16. Until such time as the parties reach an agreement or such time as the dispute is otherwise resolved, responsibility for such Hazardous Material shall remain with Lessee.

(B) County's responsibility for Remediation under this Article 8.04 shall be limited to the Recognized Environmental Conditions required to be remediated under applicable Environmental Requirements. If County is permitted to leave any Hazardous Material in place under applicable Environmental Requirements, County shall have the option of so doing, unless a governmental authority requires at any time the removal of Hazardous Materials for Lessee to be able to continue with construction or occupancy of the Premises. The County shall notify Lessee of any such decision to leave Hazardous Material in place.

(C) (1) To the extent they exist, the County has made available to Lessee a listing of contamination assessment reports, remedial action plans and other documents regarding any soil and groundwater contamination at the Premises. Such documentation is listed in Tab B to this Agreement. The County may have already installed or may have plans to install remediation systems to clean up the contamination described in such reports to the extent they exist. Lessee agrees that during the term of the Agreement, County's authorized representatives shall have the right to enter the Premises in order to operate, inspect, maintain, relocate and replace any such installed systems. Without limiting the generality of the foregoing, the County shall have the right to: (a) install, use, monitor, remove (or, in connection with monitoring wells, abandon in place in accordance with applicable governmental regulations) soil borings, treatment systems, pumps, monitoring wells, and associated equipment; (b) construct, maintain, and ultimately remove various mechanical devices designed to aid in the monitoring and remediating effort; and (c) undertake such related activities as the Aviation Department or other governmental authorities may require or recommend, utilizing such methods as the Aviation Department or the applicable governmental authorities may elect in order to remediate the contamination described in any such reports.

(2) County shall utilize reasonable efforts to minimize any disturbance of the Lessee's use of the Premises caused by any Remediation it undertakes and shall provide Lessee prior written notice of such Remediation. Lessee agrees that it shall not unreasonably interfere with or obstruct such Remediation.

County and Lessee each agree to take such action as may be reasonable to coordinate their operations so as to minimize any interference with the other party. If vehicles, equipment, or materials belonging to the Lessee have to be temporarily relocated to permit the Remediation to be performed, the Lessee will effect such relocation at no expense to the County. Attached to Tab A (Leased Space Exhibits) is a site sketch of the Premises describing any existing or currently planned Remediation equipment and depicting the current and proposed future location of such equipment.

(3) If Remediation equipment or materials need to be temporarily stored in a secure location on the Premises, the Lessee will provide reasonable storage inside the building on the Premises for such equipment and materials at no expense to the County, provided, however, that Lessee shall bear no liability and otherwise shall have no responsibility for any theft of and/or damage to such equipment or materials so stored, to the extent Lessee took reasonable measures to prevent, such theft and/or damage and such theft and/or damage was not caused by Lessee or Lessee's employees. To the extent that water and electrical service within the Premises are not metered and the Lessee does not pay for such services directly, the Lessee will provide the County with water and electrical service from the Premises in connection with the Remediation, without charge. The Lessee acknowledges the Remediation may be conducted at the locations depicted on the site sketch attached to Tab A (Leased Space Exhibits) at any time during the term of the Agreement and may continue until such time as a no further action letter is obtained from the appropriate regulatory authorities.

8.05 Baseline Audit: The County has provided Lessee with a copy of an environmental audit of the Premises, conducted to identify any Recognized Environmental Conditions associated with the Premises, which audit may include analyses of soil and groundwater samples (the initial "Baseline Audit"). Except to the extent Lessee previously occupied the Premises, the County shall be responsible for any Recognized Environmental Conditions within the meaning of ASTM E 1527-05, or most recent version, disclosed by the Baseline Audit. Except to the extent Lessee previously occupied the Premises, Lessee may terminate this Agreement within sixty (60) days of receipt of the Baseline Audit if Lessee, in its sole discretion, determines that the Recognized Environmental Conditions disclosed in such Baseline Audit are unacceptable. To the extent Lessee previously occupied the Premises, Lessee, subject to its right to invoke the dispute resolution provision of 8.16, shall be responsible for all Recognized Environmental Conditions disclosed in the Baseline Audit, which are not otherwise Baseline Environmental Conditions, unless Lessee demonstrates to the County's satisfaction that the Recognized Environmental Conditions originated from (1) a discharge, disposal or release outside of the Premises, unless such discharge, disposal or release was caused by Lessee, Lessee's agents employees, contractors or invitees; or (2) a discharge, disposal or release of Hazardous Material on the Premises prior to Lessee's first occupancy of the Premises and not caused by Lessee, Lessee's agents, employees, contractors, invitees, or Trespassers.

8.06 Lessee Audit: Lessee, at its sole cost and expense, shall have the right to conduct, within sixty (60) days from the receipt of the Baseline Audit, an environmental inspection of the Premises (the "Lessee Audit"), through an independent environmental consultant approved in writing by County, such approval not to be unreasonably withheld or delayed. If Lessee elects to conduct a Lessee Audit, it shall furnish County a copy of the Lessee Audit within thirty (30) days of Lessee's receipt of the Lessee Audit. The purpose of the Lessee Audit is to determine whether there are present on the Premises any Recognized Environmental Conditions not identified in the Baseline Audit, any previous audits, or any contamination assessment reports or remedial action plans, to the extent any such documents exist. Within thirty (30) days of receipt of such Lessee Audit, the County shall notify Lessee if it disputes the Recognized Environmental Conditions or the delineation of any subsurface conditions described in the Lessee Audit. If

the Lessee Audit reveals any Recognized Environmental Conditions or delineates any subsurface contamination not disclosed in any contamination assessment reports, remedial action plans, or the Baseline Audit, and which are not otherwise considered Baseline Environmental Conditions under the term of this Agreement, then, except to the extent that Lessee previously occupied the Premises, the County, at its option, shall: (i) allow Lessee to terminate the Agreement, without penalty, within sixty (60) days of receipt of such notice or dispute from the County; or (ii) notify Lessee that it has agreed to be responsible for such Recognized Environmental Conditions and delineated subsurface contamination to the same extent as the County is responsible for the Recognized Environmental Conditions and subsurface contamination disclosed in any contamination assessment reports, remedial action plans and the Baseline Audit. If the County allows Lessee to terminate the Agreement and Lessee elects not to terminate, Lessee's failure to terminate shall constitute a waiver of 1) Lessee's rights to terminate its obligations under this Agreement as to any findings in such Lessee Audit, except as to its right to cancel the lease on thirty (30) days notice under Article 1.01 (B) and, 2) as provided in Article 8.04, any claim it may have against the County with respect either to Recognized Environmental Conditions and subsurface contamination disclosed in such Lessee Audit. To the extent the Lessee previously occupied the Premises, Lessee shall be responsible for all Recognized Environmental Conditions disclosed in the Lessee Audit that are not Baseline Environmental Conditions unless Lessee demonstrates to the satisfaction of Aviation Department Management by written notice setting forth Lessee's explanation why the Recognized Environmental Conditions originated from (1) a discharge, disposal or release outside of the Premises, unless such discharge, disposal or release was caused by Lessee, Lessee's agents, employees, contractors, or invitees; (2) a discharge, disposal or release of Hazardous Material on the Premises prior to the Occupancy Date and not caused by Lessee or Lessee's agents, employees, contractors, invitees or Trespassers; or (3) a discharge, disposal or release caused by County or third party. Should the Aviation Department determine that such a demonstration has not been made to Aviation Department's satisfaction, Lessee may invoke the dispute resolution provision of 8.16. Until such time as the parties reach an agreement or until such time as the dispute is otherwise resolved, responsibility for such Recognized Environmental Condition shall remain with Lessee.

8.07 Environmental Maintenance of Premises: Except for the obligations of the County under this Article 8, Lessee shall, at its sole cost and expense, keep, maintain and use the Premises, and operate within the Premises at all times, in compliance with all applicable Environmental Laws, and shall maintain the Premises in good and sanitary order, condition, and repair.

8.08 Lessee's Use of Hazardous Materials: Tab C (Lessee's Hazardous Material List) is a complete list of all Hazardous Materials which Lessee currently intends to use on the Premises or Other Airport Property during the term of the Agreement which have been approved by the County, and the use, storage and transportation of which on or about the Premises shall not be subject to County's approval or objections. Except for those Hazardous Materials listed on Tab C, Lessee shall not use, store, generate, treat, transport, or dispose of any Hazardous Material on the Premises or Other Airport Property without first providing the County thirty (30) days written notice prior to bringing such Hazardous Material upon the premises. To the extent certain Hazardous Materials are needed to be used by Lessee on a non-routine basis, such as for emergency repairs, Lessee may provide such notice within twenty-four (24) hours of bringing such Hazardous Material upon the premises. Notwithstanding the foregoing, County may object to the use of any previously-approved Hazardous Material should County reasonably determine that the continued use of the Hazardous Material by Lessee presents a material increased risk of site contamination, damage or injury to persons, Premises, resources on or near the Premises of Other Airport Property, or noncompliance due to a change in regulation of such Hazardous Material under applicable

Environmental Law. Upon County's objection, Lessee shall immediately remove the Hazardous Material from the site. This section 8.08 shall not apply to Hazardous Materials which are not used, generated, treated or disposed of by Lessee but which are otherwise transported by Lessee solely in the course of Lessee's business, such as cargo operations, and for which Lessee has no knowledge as to the identity of such hazardous materials prior to such transport. County's objection or failure to object to the use, storage, generation, treatment, transportation, or disposal of Hazardous Material under this paragraph, or the exclusion of certain Hazardous Materials under this paragraph, shall not limit or affect Lessee's obligations under this Agreement, including Lessee's duty to remedy or remove releases or threatened releases; to comply with applicable Environmental Law and/or Environmental Requirements relating to the use, storage, generation, treatment, transportation, and/or disposal of any such Hazardous Materials; or to indemnify County against any harm or damage caused thereby. Lessee shall promptly and completely answer periodic questionnaires from the County concerning Lessee's practices regarding the generation, use, storage, and disposal of Hazardous Materials under this Agreement.

8.09 Entry by County:

(A) Notwithstanding any other right of entry granted to County under this Agreement, and subject to the requirements set forth in Article 8.09(B), MDAD shall have the right, at its own expense and upon reasonable notice, to enter the Premises or to have consultants enter the Premises throughout the Term of this Agreement for the purposes of: (1) determining whether the Premises are in conformity with applicable Environmental Law; (2) conducting an environmental review or investigation of the Premises; (3) determining whether Lessee has complied with the applicable environmental requirements of this Agreement; (4) determining the corrective measures, if any, required of Lessee to ensure the safe use, storage, and disposal of Hazardous Materials; or (5) removing Hazardous Materials (except to the extent used, stored, generated, treated, transported, or disposed of by Lessee in compliance with applicable Environmental Requirements and the terms of this Agreement). Lessee agrees to provide access and reasonable assistance for such inspections. MDAD shall use its best efforts to reasonably minimize interruptions of business operations on the Premises.

(B) Such inspections may include, but are not limited to, entering the Premises or adjacent property with drill rigs or other machinery for the purpose of obtaining laboratory samples of environmental conditions or soil or groundwater conditions. Lessee shall have the right to collect split samples of any samples collected by MDAD, MDAD shall not be limited in the number of such inspections during the Term of this Agreement MDAD will conduct such inspections during Lessee's normal business hours, but MDAD may conduct such inspections in other than normal business hours if the circumstances so require. For inspections conducted by MDAD, MDAD agrees to provide Lessee with reasonable notice (not less than twenty four (24) hours) prior to inspecting the Premises; provided however, that such notice period shall not apply under circumstances in which MDAD reasonably determines that there exists an immediate threat to the health, safety, or welfare of any persons. Based on the results of such inspections, should MDAD reasonably determine that Hazardous Materials have been released, discharged, stored, or used on the Premises in violation of the terms of this Agreement, Lessee shall, in a timely manner, at its expense, remove such Hazardous Materials in a manner not inconsistent with applicable Environmental Law and otherwise comply with the reasonable recommendations of MDAD and any regulatory authorities related to the results of such inspections. The right granted to MDAD herein to inspect the Premises shall not create a duty on MDAD's part to inspect the Premises, nor liability of MDAD for Lessee's use, storage, or disposal of Hazardous Materials, it being understood that Lessee shall be solely responsible for all liability in connection therewith. MDAD shall provide the results of such inspections to the Lessee in a timely manner

Environmental Laws; all enforcement actions related to such Hazardous Materials, including all, consent agreements or other non-privileged documents relating to such enforcement actions during that time period. In addition, Lessee shall provide County with copies of any reports filed in accordance with the Emergency Planning and Community Right to Know Act (EPCRA) and shall make available for review upon request by County copies of all manifests for hazardous wastes generated from operations on the Premises. Lessee shall provide the report required under this section to the County by April 1 of each year for the preceding calendar year.

8.13 Periodic Environmental Audits: Lessee shall establish and maintain, at its sole expense, a system to assure and monitor its continued compliance on the Premises with all applicable Environmental Laws, which system shall include, no less than once each year a detailed review of such compliance (the "Environmental Audit Exhibit E") by such consultant or consultants as County may approve, which approval shall not be unreasonably withheld, delayed or conditioned. Alternatively, if the Aviation Department approves, which approval shall not be unreasonably withheld, delayed, or conditioned, such Environmental Audit may be conducted by Lessee's personnel but in either case Lessee shall provide County with a copy or summary of its report of its annual Environmental Audit, which shall be consistent with ASTM's "Practice for Environmental Regulatory Compliance Audits" which shall include in its scope the items listed in Tab C (Lessee's Hazardous Material List) hereto or other recognized format approved by County. If the Environmental Audit indicates any unresolved violation of any applicable Environmental Law and/or Environmental Requirements, Lessee shall, at the request of County, provide a detailed review of the status of any such violation within thirty (30) days of the County's request.

8.14 Remediation of Hazardous Material Releases: If Lessee or Lessee's agents, employees, contractors, invitees or trespassers cause any Hazardous Materials to be released, discharged, or otherwise located on or about the Premises or Other Airport Property during the term of this Agreement ("Hazardous Material Release"), Lessee shall promptly take all actions, at its sole expense and without abatement of rent, as are reasonable and necessary to return the affected portion of the Premises or Other Airport Property and any other affected soil or groundwater to their condition existing prior to the Hazardous Material Release in a manner not inconsistent with applicable Environmental Law. County shall have the right to approve all such remedial work, including, without limitation: (i) the selection of any contractor or consultant Lessee proposes to retain to investigate the nature or extent of such Hazardous Material Release or to perform any such remedial work; (ii) any reports or disclosure statements to be submitted to any governmental authorities prior to the submission of such materials; and (iii) any proposed remediation plan or any material revision thereto prior to submission to any governmental authorities. The County's approvals shall not be unreasonably withheld, conditioned or delayed. Notwithstanding the foregoing, County's prior consent shall be not be necessary if a Hazardous Material Release poses an immediate threat to the health, safety, or welfare of any persons and, despite Lessee's best efforts, it is not practicable to obtain County's consent before taking remedial action to abate such immediate threat, provided that: (a) Lessee shall notify County as soon as possible and shall thereafter obtain County's consent as otherwise provided in this paragraph; and (b) Lessee shall take only such action as may be necessary or appropriate to abate such immediate threat and shall otherwise comply with the provisions of this paragraph. In addition to any rights reserved by County in this Agreement, County shall have the right, but not the obligation, to participate with Lessee, Lessee's consultants and Lessee's contractors in any meetings with representatives of the governmental authorities and Lessee shall provide County reasonable notice of any such meetings. All remedial work shall be performed in compliance with all applicable Environmental Laws. The County's consent to any remedial activities undertaken by Lessee shall not be withheld so long as County reasonably determines that such activities will not cause any material adverse long-term or short-

if requested to do so in writing. Nothing herein shall be construed to limit, restrain, impair or interfere with County's regulatory authority to conduct inspections and/or the manner in which it conducts such inspections. Lessee shall not be liable or otherwise responsible for any property damage to the Premises or injury to any person caused by County, its agents or consultants during County's inspection under this Section 8.09.

8.10 Permits and Licenses: The Lessee warrants that it will secure at the times required by issuing authorities all applicable permits or approvals that are required by any governmental authority having lawful jurisdiction to enable Lessee to conduct its obligations under this Agreement. Upon written request, Lessee shall provide to County copies of all permits, licenses, certificates of occupancy, approvals, consent orders, or other authorizations issued to Lessee under applicable Environmental Requirements, as they pertain to the Lessee's operations on or use of the Premises or Other Airport Property.

8.11 Notice of Discharge to County:

(A) In the event of: (i) the happening of any material event involving the spill, release, leak, seepage, discharge or clean up of any Hazardous Material on the Premises or Other Airport Property in connection with Lessee's operation thereon; or (ii) any written Environmental Claim affecting Lessee from any person or entity resulting from Lessee's use of the Premises or Other Airport Property, then Lessee shall immediately notify County orally within twenty-four (24) hours and in writing within three (3) business days of said notice. If County is reasonably satisfied that Lessee is not promptly commencing the response to either of such events, County shall have the right but not the obligation to enter onto the Premises or to take such other actions as it shall deem reasonably necessary or advisable to clean up, remove, resolve or minimize the impact of or otherwise deal with any such Hazardous Material or Environmental Claim following receipt of any notice from any person or any entity having jurisdiction asserting the existence of any Hazardous Material or an Environmental Claim pertaining to the Premises, which if true, could result in an order, suit or other action against the County. If Lessee is unable to resolve such action in a manner which results in no liability on the part of County, all reasonable costs and expenses incurred by County shall be deemed additional rent due County under this Agreement and shall be payable by Lessee upon demand, except to the extent they relate to a Baseline Environmental Condition.

(B) With regard to any reporting obligation arising out of Lessee's operations or during the Agreement, Lessee shall timely notify the State of Florida Department of Environmental Protection, Miami-Dade County Department of Environmental Resources Management, and the United States Environmental Protection Agency, as appropriate, with regard to any and all applicable reporting obligations while simultaneously providing written notice to County.

(C) Within sixty (60) days of execution of this Agreement, Lessee shall submit to County an emergency action plan/contingency plan setting forth in detail Lessee's procedures for responding to spills, releases, or discharges of Hazardous Materials. The emergency action plan/contingency plan shall identify Lessee's emergency response coordinator and Lessee's emergency response contractor.

8.12 Reports to County: For any year in which any Hazardous Materials have been used, generated, treated, stored, transported or otherwise been present on or in the Premises, (or on or in other Airport property for purposes related to Lessee's operations on the Premises), Lessee shall provide County with a written report listing: the Hazardous Materials which were present on the Premises or other Airport property; all releases of Hazardous Material that occurred or were discovered on the Premises or other Airport property and which were required to be reported to regulatory authorities under applicable

term effect on the Premises, or other adjoining property owned by County. Lessee's obligations in this section do not apply to Baseline Environmental Conditions.

8.15 Indemnity: Lessee shall indemnify, defend (with counsel reasonably satisfactory to County), and hold County, its directors, officers, employees, agents, assigns, and any successors to County's interest in the Premises, harmless from and against any and all loss, cost, damage, expense (including reasonable attorneys' fees), claim, cause of action, judgment, penalty, fine, or liability, directly or indirectly, relating to or arising from the use, storage, release, discharge, handling, or presence of Hazardous Materials on, under, or about the Premises or Other Airport Property and caused by Lessee, Lessee's agents, employees, contractors, invitees or trespassers. This indemnification shall include without limitation: (a) personal injury claims; (b) the payment of liens; (c) diminution in the value of the Premises or Other Airport Property; (d) damages for the loss or restriction on use of the Premises or Other Airport Property; (e) sums paid in settlement of claims; (f) reasonable attorneys' fees, consulting fees, and expert fees; (g) the cost of any investigation of site conditions, and (h) the cost of any repair, cleanup, remedial, removal, or restoration work or detoxification if required by any governmental authorities or deemed necessary in County's reasonable judgment, but shall not extend to such claims, payment, diminution, damages, sums, fees or costs to the extent caused (i) solely by an act of God or (ii) by the negligent or willful misconduct of the County, its officers, employees, contractors or agents. For any legal proceedings or actions initiated in connection with the Hazardous Materials Release, County shall have the right at its expense but not the obligation to join and participate in such proceedings or actions in which the County is a named party, and control that portion of the proceedings in which it is a named party. County may also negotiate, defend, approve, and appeal any action in which County is named as a party taken or issued by any applicable governmental authorities with regard to a Hazardous Materials Release; provided, however, claims for which Lessee may be liable pursuant to this Article 8.15 shall not be settled without Lessee's consent. Any costs or expenses incurred by County for which Lessee is responsible under this paragraph or for which Lessee has indemnified County: (i) shall be paid to County on demand, during the term of this Agreement as additional rent; and (ii) from and after the expiration or earlier termination of the Agreement shall be reimbursed by Lessee on demand. Lessee's obligations pursuant to the foregoing indemnity shall survive the expiration or termination of this Agreement and shall bind Lessee's successors and assignees and inure to the benefit of County's successors and assignees. Notwithstanding any other provision of this Agreement, this section 8.15 does not apply to Baseline Environmental Conditions or a discharge, disposal or release caused by the County, its officers, employees, contractors or agents.

- (A) This indemnity specifically includes the direct obligation of Lessee to perform, at its sole cost and expense, any remedial or other activities required or ordered by court or agency having competent jurisdiction over the subject matter, or otherwise necessary to avoid or minimize injury or liability to any person, or to prevent the spread of Hazardous Materials.
- (B) In addition, because costs of Hazardous Materials discharges are passed on to airlines through the residual rate charging mechanism at Miami International Airport and the charges to Lessee will be increased to offset such costs, Lessee agrees in order to minimize its obligations in this regard to use best efforts to assist the Aviation Department in responding to Hazardous Materials spills in or Airport property reasonably close to the Premises used by Lessee by making Lessee's remediation equipment and personnel available for such emergency remediation activity. However, Lessee may provide such assistance only at the

direct request of the Aviation Department and only if Lessee's remediation equipment is intended to be utilized for the Hazardous Material spill at issue and only if Lessee's personnel have been trained to respond to the Hazardous Material spill at issue. If Lessee is directed to perform any remedial work under this Article 8.15(B) for which it is later determined that Lessee is not responsible, the Aviation Department shall reimburse Lessee for all costs associated with or arising out of Lessee's performance of such remedial work. Lessee shall cooperate with the Aviation Department in any subsequent effort by the Aviation Department to recover from the responsible parties all costs involved with the remediation effort that utilized Lessee's equipment and personnel. Lessee shall perform all such work in its own name in accordance with applicable laws. Lessee acknowledges that the County's regulatory power in this regard is independent of the County's contractual undertakings herein, and nothing herein shall affect the County's right in its regulatory capacity to impose its environmental rules, regulations, and authorities upon the Lessee in accordance with the law.

- (C) In the event Lessee fails to perform its obligations in Article 8.15(A) above, and without waiving its rights hereunder, County may, at its option, perform such remedial work as described in Article 8.15(A) above, and thereafter seek reimbursement for the costs thereof. In accordance with this Article 8, Lessee shall permit County or its designated representative access to the Premises areas to perform such remedial activities.
- (D) Whenever County has incurred costs described in this section as a result of the failure of Lessee to perform its obligations hereunder, Lessee shall, within thirty (30) days of receipt of notice thereof, reimburse County for all such expenses together with interest at the rate of 1 ½ % per month on the outstanding balance commencing on the thirty-first day following Lessee's receipt of such notice until the date of payment.
- (E) To the extent of Lessee's responsibility under this Article and without limiting its obligations under any other paragraph of this Agreement, and except to the extent of County's responsibility for environmental conditions set forth in this Article 8, Lessee shall be solely and completely responsible for responding to and complying with any administrative notice, order, request or demand, or any third party claim or demand relating to potential or actual Hazardous Materials contamination on the Premise. Lessee's responsibility under this paragraph includes but is not limited to responding to such orders on behalf of County and defending against any assertion of County's financial responsibility or individual duty to perform under such orders. Lessee shall assume, pursuant to the indemnity provision set forth in this Article 8, any liabilities or responsibilities which are assessed against County in any action described under this paragraph.

8.16 Dispute Resolution: County and Lessee agree that any dispute between them relating to this Article 8 will first be submitted, by written notice, to a designated representative of both County and Lessee who will meet at County's place of business or other mutually agreeable location, or by

teleconference, and confer in an effort to resolve such dispute. Any decision of the representatives will be final and binding on the parties. In the event the representatives are unable to resolve any dispute within ten (10) days after submission to them, either party may refer the dispute to mediation, or institute any other available legal or equitable proceeding in order to resolve the dispute.

8.17 Waiver and Release: Lessee, on behalf of itself and its heirs, successors and assigns, hereby waives, releases, acquits and forever discharges County, its principals, officers, directors, employees, agents, representatives and any other person acting on behalf of the County, and the successors and assigns of any of the preceding, of and from any and all claims, actions, causes of action, demands, rights, damages, costs, expenses or compensation whatsoever, direct or indirect, known or unknown, foreseen or unforeseen, which Lessee or any its heirs, successors, or assigns now has or which may arise in the future on account of or in any way related to or in connection with any past, present or future physical characteristic or condition of the Premises, including, without limitation, any Hazardous Material, in at, on, under or related to the Premises, or any violation or potential violation of any Environmental Law applicable thereto; provided, however, this Article 8.17 shall not constitute a waiver or release of any obligation of County under this Article 8. Lessee acknowledges that County would not enter into this Agreement without Lessee's agreement to the waiver and release provided herein.

8.18 No Waiver of Rights, Causes of Actions or Defenses: Notwithstanding any language in this Agreement, including without limitation Articles 8.03, 8.04, 8.05, 8.06, 8.14, 8.15 and 8.16, Lessee does not agree to waive or release any rights, causes of action or defenses it may have against Miami-Dade County or any other party related to allegations made by the County in (i) Case No. 01-8758 CA 25 which has been filed by the County in the Florida Circuit Court of the Eleventh Judicial Circuit, and (ii) a letter dated April 9, 2001, to Lessee and others (who are referred to as "responsible parties" or "RPs"). Nothing herein shall be construed to limit or expand upon any releases previously granted to or exchanged between the parties as a result of judgments or settlements obtained in proceedings between the parties, including, without limitation, settlements in bankruptcy or settlements entered under Case No. 01-8758 CA 25 which has been filed by the County in the Florida Circuit Court of the Eleventh Judicial Circuit.

8.19 Surrender of Premises: Lessee shall surrender the Premises used by Lessee to County upon the expiration or earlier termination of this Agreement free of debris, waste, and Hazardous Materials used, stored, or disposed of by Lessee or its agents, employees, contractors, invitees or Trespassers, or otherwise discharged on the Premises or Other Airport Property for which Lessee is responsible during the term of this Agreement. The Premises shall be surrendered in a condition that complies with all applicable Environmental Requirements, and such other reasonable environmental requirements as may be imposed by County. Lessee shall not be responsible under this section 8.19 to the extent of County's obligations under this Article 8.

8.20 Breach: Any breach by Lessee of any provision of this Article 8 shall, after notice and a reasonable opportunity for Lessee to cure, constitute a default of the Agreement and shall entitle County to exercise any and all remedies provided in the Agreement, or as otherwise permitted by law.

8.21 Survivability of Terms: the terms and conditions of this Article 8, including the indemnity, waiver, and release, shall survive the termination of this Agreement.

8.22 Right to Regulate: As provided for in Article 20 of this Agreement, nothing within this Article 8 shall be construed to waive or limit, restrain, impair or interfere with the County's regulatory authority.

**ARTICLE 9**  
**Assignment and Subletting**

9.01 Assignment and Transfer: The Lessee shall not, in any manner, assign, transfer, mortgage, hypothecate, encumber or otherwise convey an interest in this Agreement, or authorize others to exercise the rights granted to the Lessee herein without the prior express written approval of the County.

9.02 Subletting: The Lessee shall not sublet any portion of the leased Premises without the prior express written approval of the Department. Any agreement which permits another party to farm any portion of the leasehold Premises for any period in excess of six (6) months shall be considered a sublease for the purposes of this Article 9.02 and shall be submitted, in writing, for Department approval at least forty-five (45) days prior to the start of the sublease agreement.

The Lessee shall not charge or receive, directly or indirectly, as consideration for any sublease, usage or operating agreement from any person, firm or corporation, any amount in excess of the rental rate established by this agreement, and paid by the Lessee, for such premises, or the subleased portion thereof, plus an amount not to exceed ten percent (10%).

Further, any such subleases shall be subject to the same conditions, obligations and terms as set forth herein, including as a minimum, but not limited to, requirements for compliance with Airport Rules and Regulations and applicable laws and indemnification to the County. Notwithstanding anything herein contained to the contrary, in the event of an approved sublease, the Lessee shall remain fully liable to the County for fulfilling all obligations, conditions and terms of this Agreement, throughout its entire term.

**ARTICLE 10**  
**Indemnification and Hold Harmless**

Subject only to the limitations contained in Article 6.02(D) (Environmental Indemnities), the Lessee shall protect, defend, using attorneys reasonably acceptable to the County, and hold the County and its officers, agents and employees completely harmless from and against any and all liabilities, losses, suits, claims, judgments, fines or demands arising by reason of injury or death of any person or damage to any property, including the leased Premises, including all reasonable costs for investigation and defense thereof (including but not limited to attorney fees, court costs, and expert fees, through all levels of trial and appellate proceedings), of any nature whatsoever arising out of or incident to this Agreement and/or the use or occupancy of the leased Premises or the acts or omissions of officers, agents, employees, contractors, subcontractors, licensees, or invitees of the Lessee regardless of where the injury, death, or damage may occur, except to the extent such injury, death or damage is caused (i) solely by an Act of God, or (ii) by the negligence or willful misconduct of the County, its officers, employees or agents. The County shall give the Lessee reasonable notice of any such claims or actions. The provisions of this Article 9 shall survive the expiration or early termination of this Agreement.

**ARTICLE 11**  
**Insurance**

11.01 Insurance Required: In addition to such insurance as may be required by law, the Lessee shall maintain, without lapse or material change, for so long as it occupies the Premises, the following insurance:

- (A) Commercial General Liability Insurance on a comprehensive basis, including Contractual Liability, to cover the Lessee's Premises and operations, in an amount not less than \$300,000 combined single limit per occurrence for bodily injury and property damage. The County must be shown as an additional insured with respect to this coverage.
- (B) Automobile Liability Insurance covering all owned, non-owned and hired vehicles used by the Lessee in connection with its operations under this Agreement in an amount not less than \$300,000 combined single limit per occurrence for bodily injury and property damage.

The insurance coverage's required shall include those classifications, as listed in standard liability insurance manuals, which most nearly reflect the operations of the Lessee under this Agreement. All insurance policies required pursuant to the terms of this Agreement shall be issued in companies approved to do business under the laws of the State of Florida. Such companies must be rated no less than "A-" as to financial strength, and no less than "Class VII" as to financial size in accordance with the latest edition of "Best's Insurance Guide", published by A.M. Best Company, Inc., or its equivalent, subject to approval of MDAD Risk Management.

11.02 Insurance Certificates Required: Prior to the commencement of operations hereunder and annually thereafter, the Lessee shall furnish or cause to be furnished certificates of insurance to the Department which certificates shall clearly indicate that:

- (A) The Lessee has obtained insurance in the types, amounts and classifications as required for strict compliance with this Article;
- (B) The policy cancellation notification provisions specify at least 30 days advance written notice of cancellation to the County; and
- (C) The County is named as an additional insured with respect to the Lessee's commercial general liability policies.

On said insurance certificates, unless specifically shown to be excluded thereon, commercial general liability coverage shall include contractual liability.

The County reserves the right to require the Lessee to obtain and maintain such reasonably amended insurance coverage as it deems necessary or desirable, upon issuance of notice in writing to the Lessee, which notice shall automatically amend this Agreement effective 30 days after such notice.

11.03 Compliance: Compliance with the requirements of this Article 12 (Insurance) shall not relieve the Lessee of its liability under any other portion of this Agreement or any other agreement between the County and the Lessee.

11.04 Right to Examine: The Department reserves the right, upon reasonable notice, to examine the original or true copies of policies of insurance (including but not limited to binders, amendments, exclusions, riders and applications) to determine the true extent of coverage. The Lessee agrees to permit such inspection at the offices of the Department.

11.05 Personal Property: Any personal property of the Lessee or of others placed in the Premises and Airport shall be at the sole risk of the Lessee or the owners thereof, and the County shall not be liable for any loss or damage, except to the extent such loss or damage was caused by the sole active negligence of the County, as limited by Section 768.28, Florida Statutes.

## **ARTICLE 12**

### Use of Public Facilities

The County grants to the Lessee, to the extent necessary or reasonably necessary, to carry out the rights granted the Lessee hereunder, the nonexclusive privilege to use the roads of egress and ingress, service roads and such other facilities and improvements as may be now in existence or hereafter constructed for the use of persons lawfully using the Premises; provided, however, that such usage shall be subject to the payment of nondiscriminatory fees and other charges established by the County. Nothing herein contained shall grant to the Lessee the right to use any leasable space or area improved or unimproved which is leased to a third party, or which the County has not leased herein.

## **ARTICLE 13**

### Termination

13.01 Payment Defaults: Failure of the Lessee to make all payments of rentals, fees and charges required to be paid herein when due shall constitute a default, and the County may, at its option terminate this Agreement after five calendar days notice in writing to the Lessee unless the default be cured within the notice period.

13.02 Insurance Defaults: The County shall have the right, upon 5 calendar days written notice to the Lessee, to terminate this Agreement if the Lessee fails to provide evidence of insurance coverage in strict compliance with Article 10 hereof prior to commencement of operations, or fails to provide a renewal of said evidence upon its expiration; provided, however, that such termination shall not be effective if the Lessee provides the required evidence of insurance coverage within the notice period.

13.03 Other Defaults: The County shall have the right, upon 30 calendar days written notice to the Lessee, to terminate this Agreement upon the occurrence of any one or more of the following, unless the same shall have been corrected within such period, or, if correction cannot reasonably be completed within such 30 day period, in the sole discretion of the Department, the Lessee has commenced substantial corrective steps within such 30 day period and diligently pursues same to completion:

(A) Failure of the Lessee to comply with any covenants of this Agreement, other than the covenants to pay rentals, fees and charges when due, and the covenants to provide required evidence of insurance coverage.

(B) The conduct of any business, the performance of any service, or the merchandising of any product or service not specifically authorized herein, by the Lessee.

13.04 Actions at Termination:

(A) The Lessee shall vacate, quit, surrender up and deliver the Premises to the County on or before the termination date of this Agreement, whether by lapse of time or otherwise. The Lessee shall remove all of its personal property from the Premises. Any personal property of the Lessee not removed in accordance with this Article may be removed by the Department for storage at the cost of the Lessee. Failure on the part of the Lessee to reclaim its personal property within 30 days from the date of termination shall constitute a gratuitous transfer of title thereof to the County for whatever disposition is deemed to be in the best interest of the County.

(B) The Lessee shall, at its expense, take all actions required by Federal, State and local laws, regulations or codes to remove from the Premises any hazardous substance or environmental contaminant, whether stored in drums, or found in vats, containers, distribution pipe lines, or the like. All such substances and contaminants shall be removed by the Lessee in a manner approved and authorized by such Federal, State or local laws, regulations or codes.

(C) If the County advises the Lessee that it has reasonable grounds to believe that any hazardous substance or environmental contaminant has been released within the Premises or into the ground under the Premises, during the term of this Agreement or during the terms of any prior leases between the Lessee and the County for the same or substantially the same Premises, then the Lessee at its expense shall retain an approved environmental consultant to perform whatever environmental assessment may be required to determine the extent of such release. The Lessee shall comply with the recommendations and conclusions, contingent upon County approval, of such consultant regarding environmental cleanup efforts that may be required, and shall comply with any other clean up requirements imposed on the Lessee by Federal, State or local law, regulations or codes.

(D) Notwithstanding any other provisions of this Agreement, the Lessee shall have no liability to the Aviation Department for any violation of environmental law, which is attributable to the acts, or omissions of any person other than the Lessee, its agents, employees, invitees, contractors or trespassers (nor shall such violations constitute a default or breach of this Agreement). Nothing in this Article or Agreement shall affect the Lessee's liability for environmental violations as separately provided for in any Federal, State, or County law.

13.05 Lien Upon Personal Property: In the event of termination for default or upon termination of this Agreement by its term, the County shall have a lien upon all personal property of the Lessee on the Premises to secure the payment of any unpaid rentals, fees and charges accruing under the terms of this Agreement.

13.06 Right to Show Premises: At any time after the Lessee has been given notice of termination or default, pursuant to this Article 12 (Termination) or other applicable provisions of this Agreement, the County shall have the right to enter on the Premises for the purpose of showing the Premises to prospective tenants or users.

The Lessee fully understands and acknowledges that any security measures deemed necessary by the Lessee for the protection of said Premises, equipment and property and access through the Premises shall be the sole responsibility of the Lessee and shall involve no cost to the County. Furthermore, the Lessee shall pay its fair share of the cost of any security measures for its leasehold and operations that may be deemed necessary by Federal, State, and local agencies having jurisdiction over the airport.

A copy of the Trust Agreement is available for inspection in the offices of the Department during normal working hours.

19.02 Adjustment of Terms and Conditions: If, at any time during the term of this Agreement, a court or Federal Agency of competent jurisdiction shall determine that any of the terms and conditions of this Agreement, including the rentals, fees and charges required to be paid hereunder to the County by the Lessee or by other Lessees under other Agreements of the County for the Lease or use of facilities used for similar purposes, are unjustly discriminatory, the County shall have the right to modify such terms and conditions and to increase or otherwise adjust the rentals, fees and charges required to be paid under this Agreement in such a manner as the County shall determine is necessary and reasonable so that the rentals, fees and charges payable by the Lessee and others shall not thereafter be unjustly discriminatory to any user of like facilities and shall not result in any violation of the Trust Agreement or in any deficiency in revenues necessary to comply with the covenants of the Trust Agreement. In the event the County has modified the terms and conditions of this Agreement, including any adjustment of the rentals, fees and charges required to be paid to the County pursuant to this provision, this Agreement shall be amended to incorporate such modification of the terms and conditions including the adjustment or rentals, fees and charges upon the issuance of written notice from the Department to the Lessee.

20.08 Rights to be Exercised by Department: Wherever in this Agreement rights are reserved to the County, such rights may be exercised by the Department.

20.09 No Waiver: There shall be no waiver of the right of either party to demand strict performance of any of the provisions, terms and covenants of this Agreement nor shall there be any waiver of any breach, default or non-performance hereof by one party, unless such waiver is explicitly made in writing by the other party. 20.10 Right to Regulate: Nothing in this Agreement shall be construed to waive or limit the governmental authority of the County, as a political subdivision of the State of Florida, to regulate the Lessee or its operations.

20.13 Payment of Taxes: The Lessee shall pay all taxes and other costs lawfully assessed against its leasehold interests in the Premises, its improvements and its operations under this Agreement; provided, however, the Lessee shall not be deemed to be in default of its obligations hereunder for failure to pay such taxes pending the outcome of any legal proceedings instituted to determine the validity of such taxes. Failure to pay the taxes upon the adverse ultimate conclusion of such legal proceedings against the Lessee shall constitute a default pursuant to Article 12.03 (Other Defaults).

20.14 Force Majeure: The terms and conditions of this Agreement (with the exception of the obligation of the Lessee to pay the amounts required by the terms of this Agreement) shall be subject to force majeure. Neither the County nor the Lessee shall be considered in default in the performance of its obligations hereunder, if such performance is prevented or delayed because of war, hostilities, revolution, civil commotion, strike, lock-out, epidemic, fire, wind, flood or because of any law, order, proclamation, regulation or ordinance of any government or of any subdivision thereof or because of any act of God or any other cause whether of similar or dissimilar nature beyond the reasonable control of the party affected, provided that notice of such force majeure is given by the affected party to the other within ten days of the beginning of said force majeure.
